Listen here

- Yuta** Chloe, did you hear? Our school will close for a week from tomorrow!
- Chloe** Nice try, Yuta. It's April Fools' Day today.
- Yuta** Oh no. How did you know?
- Chloe** Everyone plays tricks today. And look at the clock. It's half past twelve.
- Yuta** So what?
- Chloe** In Britain, we say tricks must stop at noon. So now you're the April fool!
- Yuta** Really? That's a strange rule!
- Chloe** My grandma told me a funny story. In 1957, the BBC showed spaghetti growing on trees.
- Yuta** Spaghetti on trees? Nobody believed that, right?
- Chloe** Lots of people did! Hundreds of them called the BBC to ask how to grow it.
- Yuta** That's amazing. In Japan, some companies make funny fake news on April 1, too.
- Chloe** Then let's find the best one together. But no more tricks after lunch, OK?

☐ 1st time ☐ 2nd time (switch roles) ☐ 3rd time (try without looking!)
