- Kenta** Earth Day? What's that?
- Olivia** It's a day to think about our planet. It started here in the U.S. in 1970.
- Kenta** Wow, that's more than 50 years ago.
- Olivia** Yes. A senator from Wisconsin came up with the idea after a big oil spill.

- Kenta** That's a lot! What do people do now?
- Olivia** They pick up trash, plant trees, and some people ride their bikes to work.
- Kenta** In Japan, we have Environment Day in June. But I didn't know about Earth Day.
