Riku Hey, why did you turn off the lights? Is it a blackout?

Chloe No, it's Earth Hour! It's 8:30, so we turn off our lights for one hour.

Riku Earth Hour? What's that?

Chloe It started in Sydney in 2007. Now people do it all over the world.

Riku Cool. But does one hour really help?

Chloe Not much. It's more like a message. We think about the planet together.

Riku I see. Can we go outside and look at the stars?

Chloe Great idea! Bring a blanket. It's getting cold.
