Class _____ No. _____ Name _____

 Sota is a Japanese student. He is staying with a family in Dublin, Ireland. On October 31, his host sister Aoife gives him a piece of special bread.

音声はここから
Listen here

- Sota** Aoife, there's a ring in my bread! Is this a mistake?
- Aoife** No way! That's barmbrack, our Halloween bread. You found the ring!
- Sota** What does that mean?
- Aoife** People say you'll get married within a year.
- Sota** Married? I'm only sixteen!
- Aoife** Don't worry, it's just a game. Long ago, there was also a coin and a pea inside.
- Sota** So Halloween is a big deal in Ireland?
- Aoife** Of course. It started here! It comes from an old festival called Samhain.
- Sota** Really? I always thought Halloween came from America.
- Aoife** Lots of people think that. But Irish people took it to America in the 1800s.
- Sota** Did they carve pumpkins back then?
- Aoife** No, they carved turnips. They're really hard to cut!
- Sota** Wow. So what are we doing tonight?
- Aoife** We'll wear costumes and watch the fireworks. Get ready!

☐ 1st time ☐ 2nd time (switch roles) ☐ 3rd time (try without looking!)
