

Lunar New Year Lantern

1

How to make

- ① Cut out both sheets along the solid lines.
- ② Cut out the lanterns, the fireworks and the flowers. Ask an adult to help.
- ③ Fold along the dotted lines.
- ④ Glue tab 1 under the left edge of sheet 2. Then glue tab 2 under the left edge of sheet 1.
- ⑤ Put an LED candle inside. Never use a real candle!
