Listen here

- Ryo** Olivia, why are there rainbow flags everywhere this week?
- Olivia** It's June. June is Pride Month in the United States.
- Ryo** Pride Month? What is it about?
- Olivia** It celebrates LGBTQ people. It also remembers a night at a bar called the Stonewall Inn in 1969.
- Ryo** What happened there?
- Olivia** The police came, and people stood up to them. The first Pride march was one year later.
- Ryo** So it started as a protest?
- Olivia** Yes. Today it feels like a big festival, but the message is still important.
- Ryo** I see. Why a rainbow?
- Olivia** An artist named Gilbert Baker made the flag in 1978. The first one had eight colors.
- Ryo** Eight? I can only count six.
- Olivia** Pink and turquoise were dropped later. Pink cloth was hard to find.
- Ryo** That's new to me! Can anyone go to the parade?
- Olivia** Sure. Many people go as allies. Allies are people who show support. Let's go on Sunday!
