- Leo** Hana, what is that pink line on the map?
- Hana** It's the sakura front. It shows where cherry blossoms will open.
- Leo** A front? Like a weather front?
- Hana** Yes! It moves north from Okinawa to Hokkaido.
- Leo** So the south always gets the flowers first?
- Hana** Not always. Cherry trees need a cold winter. If it's too warm, they open late.
- Leo** Interesting! When will it reach Tokyo?
- Hana** Maybe next week. Let's plan a picnic under the trees!
