- Tom** Yui, I heard there's a long holiday this month. Is that right?
- Yui** Yes! It's Silver Week. We have five days off this year.
- Tom** Silver Week? I know Golden Week, but not Silver Week.
- Yui** Respect for the Aged Day and Autumn Equinox Day are very close this year, so the day between them is a holiday, too.
- Tom** Lucky you! Does it happen every year?
- Yui** No. The next five-day one is probably in 2032.
- Tom** Wow, that's a long wait. Where are you going?
- Yui** To my grandparents' house in Akita. It's Respect for the Aged Day, after all!
