

Thanksgiving Lantern

1

How to make

- ① Cut out both sheets along the solid lines.
- ② Cut out the leaves, the feathers, the moon and the heart. Ask an adult to help.
- ③ Fold along the dotted lines.
- ④ Glue tab 1 under the left edge of sheet 2. Then glue tab 2 under the left edge of sheet 1.
- ⑤ Put an LED candle inside. Never use a real candle!

 くりぬく CUT OUT

Harvest Barn Box

How to make

- 1 Cut out the house along the solid lines.
- 2 Fold along all the dotted lines.
- 3 Glue the long side tab inside the front wall. Now you have a tall box.
- 4 Glue the small roof tabs inside the two triangles.
- 5 Glue the long roof tab under the other roof.
- 6 Put some candy inside and close the bottom.
