- Olivia** Look, another plastic bottle. That's my tenth one!
- Sota** Wow. Why are so many people cleaning the beach today?
- Olivia** It's World Oceans Day. Canada started the idea in 1992.
- Sota** Really? I didn't know that. In Japan, we have Marine Day in July.
- Olivia** A holiday for the sea? That's so cool.
- Sota** Yes, but many people just go to the beach and swim.
- Olivia** Swimming is fine. But the ocean makes half of our oxygen, you know.
- Sota** Half? Then I'll pick up ten bottles, too!
